Paul Stratford	Alderman Payne Primary	November 2021	
Current Membership: 9 members in post			

Membership (as per the Terms of Reference – September 2017)

The aim will be to recruit an inclusive group. As a largely 'virtual' group there can be flexibility over size and where it meets. The list below is an example of what the group might look like, all potentially different people although in practice 'twin hatting' may be necessary:

- Nursery x 1
- Primary (maintained x 1 and academy x 1)
- Secondary (academy x 2)
- Special x 1
- A governor (any phase/type) from each of the five districts (Hunts, South Cambs, Fenland, East Cambs, City) x 5
- Cambs National Leaders of Governance x 2
- Teacher Union Representative (preferably a current/former governor)
- Church School Representative (preferably a current/former governor)
- The Service Director – Learning may co-opt additional members as needs arise e.g. those with specific expertise

Those interested will be asked to complete a short form setting out why they would like to be part of the Panel, and what they would hope to contribute. The Service Director – Learning will approve Panel members, and will be advised by the Manager of Governor Services and a current member of the group.
