

Termly Governance Briefing and Networking Sessions Spring Term 2019

Each term governors are invited to attend one of a series of briefing/networking sessions held at various locations across Cambridgeshire and Peterborough. The sessions are held early in the term in order to equip governors with information they will need for the forthcoming term's governing board/body business and also to update governors on topical education issues.

These sessions are aimed at all governors. It is recommended that all governing boards/bodies should aim to send at least one representative. For schools who subscribe to the Cambridgeshire/Peterborough Governor Service Level Agreements the sessions are included at no additional cost. For non-subscribing schools there is a charge as detailed in the relevant Service Level Agreements.

Refreshments available 15 minutes before the start to facilitate governor networking opportunities.
